Subject : Division Directive as a result of Informal Conference Concerning Potential Non-Compliance, Lakeview Rock Products (LRP), Lakeview Quarry, M/035/020, Salt Lake County, Utah

Dear Mr. Larsen:

Thank you for attending the meeting with the Associate Director on October 1, 2003, in response to the September 19, 2003, Notice of Potential Non-Compliance letter. We appreciate the concerns which you raised regarding the permit status of LRP's Lakeview Quarry. After reviewing the matter with you and Division personnel, I am directing that the following occur.

DIVISION DIRECTIVE:

It is directed that:

1. Within 15 days from receipt of this Directive, Lakeview Rock Products will submit a letter outlining specific plans to complete a mining and reclamation plan and submit such to OGM within 90 days. The plan may be based on either contour line.
2. Within 30 days from receipt of this Directive, Lakeview Rock Products will arrange a meeting between LRP, SLC Corp. personnel, and Division staff to resolve outstanding permitting concerns centered upon the eastern boundary of mining.
3. Within 30 days from receipt of this directive, LRP will submit an interim bond of \$250,000 to OGM.

4. Within 90 days, LRP will submit a complete and accurate map and plans for mining and reclamation at the site.
5. Within 30 days of receipt of the plan from LRP, OGM will publish the plan as required by the rules @R647-4-116 – Public Notice and Appeals.
6. If timeframes are not met in this directive, a cease mining order will be issued by this Division to LRP and all mining activities will stop at the mine site as provided at Utah Code 40-8-9(3).

APPEAL PROVISIONS

As anticipated at R647-5-106-17, within 10 days of your receipt of this letter, you or your agent may make a written appeal of this directive to the Director for an Informal Hearing or the Board of Oil, Gas and Mining for a formal adjudicative proceeding. Failure to comply with the 10 day requirement may result in a waiver of your right of further recourse.

Sincerely,

Mary Ann Wright, Associate Director, Mining
Division of Oil, Gas and Mining
